From the President

Dear Members

Once again, the Elections are over, and hence, I would like to take this opportunity to humbly thank all the Members of our beloved and hallowed Institution, for reposing their faith in me and my team. Rest assured, we shall not fail you. The Committee will do everything to ensure a smooth and fair running, and as you all are well aware by now, I am always at your disposal to look into any problems that you may be facing. The Club belongs to the Members and the Committee is just its elected representative to carry out any suggestion and advice that is offered.

While once again I would reiterate that elections could have been avoided, I would request all who stood, irrespective of whether they are on the newly elected Committee or not, to come together, put everything behind us, and work together for the betterment of our Club. All of us being Sports persons know how to take winning and losing in the same stride, and we must come, sit and raise a toast together. Let any grievances and issues, if any, be a malaise of the past. Let us not look back.

I conclude and wish you all Season's Greetings and a **VERY HAPPY NEW YEAR**. Let us all come together and pray that 2021 brings us good tidings.

However, stay Safe, Happy and Healthy!!

Best Regards

Dinyar Mucadum
